\* Mechanical permit req'd for water heater. Plumbing contractor can pull this permit.

\*\* If the Backflow Prevention Device serves a Fire Suppression System then a separate fire suppression system permit is required

**Homeowner Affidavit**

I hereby certify that the work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the State of Michigan Building Code and shall not be enclosed, covered up or occupied until it has been **inspected** and **approved**. I will cooperate with the Building Inspector and assume all responsibility to arrange for necessary inspections. **Section 23a of the state construction code act of 1972, 1972PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.**
